Attention - Mr. Ellis

Dear Sir:

Enclosed, I am sending you a circular regarding the medal issued by our Society to commemorate the Tercentenary of the purchase of Manhattan Island.

Because of its local interest, it has been suggested that you might care to insert some reference to this medal in your publication. If so, and if you care to have one of your representatives call here, I shall be very glad to add any further information to that contained in the circular.

Thanking you for any consideration it may be possible to give to this Museum,

Very truly yours,

Secretary
